

I would like to voice my opinion of my support for the passage of Senate Bill 638! I think it will be a very good opportunity to show that our legalized system for adult cannabis consumption is on an equal playing field to alcohol consumption at events, clubs, bars, etc! Outdoor adult aged events should also be allowed to consume Cannabis! Cannabis is safer than Alcohol and makes people in general mellow and happy, great for social events! Cannabis has never killed anyone from use and is safer than aspirin! I live in Multnomah county Portland Oregon Mark Martinez! Thanks for considering social and hopefully public consumption! Sincerely, Mark Martinez
