Subject: Support SB 90 Single Use Straws

Dear Oregon Senate Committee on Environment & Natural Resources,

I support SB 90,
Prohibits restaurant from providing single-use plastic straw to consumer unless
consumer requests straw.

This is a good start to reduce the use of single-use plastic straws.

It would be even better to have only have reusable washable or wax paper straws in
Oregon & completely ban one use plastic straws.

Thank you for your full consideration of this important issue to Oregon's Ecosystem.

Sincerely,

Cyndi Karp
