

House Bill 2020

Having carefully read and analyzed the contents of House Bill 2020, I am opposed to it.

It is nothing more than deliberately takeover of the economy for the sake of growing government control over formerly free citizens.

This is nothing more than an attempt at introducing a central command-and-control form of government "Socialism," over the economy of Oregon.

It contradicts both.

If you do not like free-market economy with individual freedom, move to Cuba, Cambodia, China or other totalitarian states.

We neither want nor need an all-controlling government running and ruining our lives!

Let us be free!
