

Hello, my name is Matt Beall-Chisman. I am an Oregon resident and I'd like to ask you to please support SB 723-2. I grew up in the country, on a farm and understand more than most about how coyotes can cause damage to livestock. This bill is not discounting that. There is something wrong with a bloodlust that awards prizes (cash and guns?!!) Really? Why does this even need to be a discussion. It needs to be stoped -Matthew Beall
