Subject: Oppose HB 3063
Date: Thursday, February 28, 2019 3:05:24 PM

Please oppose this bill! The State of Oregon should not force parents to do medical actions they feel are not in the interests of their children. You will be pushing children out of schools as the only option for parents will be homeschooling. The way it is now is working. Please keep the government out of this very personal family choice.
