

Dear committee,

I was at the meeting yesterday and ironically walked right passed the WWII memorial right next to the capital building. The world war II memorial shows those who sacrificed their lives to stop genocide and is the reason for the Nuremberg code.

I would ask the committee members spend lunch at the memorial today and contemplate what happened prior to WWII and why those people sacrificed their lives. The sacrificed for liberty and to protect and defend the Constitution and Bill of Rights.

What have you sacrificed to protect them?

Thank you for your time.

Respectfully yours,

Stephanie Dorr
