Dear Sirs,

I oppose HB 2351 & HB 2352.

I'm an owner of a wakesurf boat, that we use as a GREAT family experience. We regularly boat on the Willamette & Hagg Lake. We also like taking other families out on our boat to share in the experience. We also like to volunteer for Wake the World events.

Keep the Willamette river open to all! As a boater, I fear that we will lose access and therefore oppose these bills!
