

To: Members of the Joint Committee on Carbon Reduction,  
Southern Oregon supports HB2020!

Climate action is crucial and urgent -  
as Southern Oregonians particularly saw  
these past summers of "smokeapocalypse".

We need clean energy jobs, we need legislators  
to listen to Oregon residents rather than  
corporate polluters. We cannot afford for climate  
action to be stalled, the time to act is now. Failure  
to act will be failure for residents and businesses  
alike! Thank you! Laura Marinelli
