

Greetings, co-chairs Dembrow and Power, and members of the Joint Committee on Carbon Reduction,

My name is Misty Cummings. I live in Portland and I am writing in support of HB 2020. I have lived in Portland for 30 years.

I am an immigration attorney and work almost exclusively with low-income immigrants. HB 2020 will help the people that I care about and work for. The bill's focus on spending in low-income communities is one that especially resonates with me. It seems to me like a win-win - a chance to be an example of change on the climate front and a way to improve the prospects of people who need it most.

Responding to climate change is an urgent need. My child is now 12 and I want her to be able to enjoy the natural wonders of Oregon. Our natural environment is in the balance.

Please support BH2020!

Sincerely,
Misty Cummings
