Dear Chair Riley and Members of the Committee,

I am a constituent of Rep. Nearman and Sen. Boquist.

I am hoping so much that you will **pass SJM 6** which urges Congress to allow Oregon to maintain itself on Daylight Saving Time.

I would absolutely love more sun in the evenings, especially for outdoor activities. I am hoping you will create a coalition with California and Washington to make the request to Congress.

I wrote separate testimony in favor of SB 320.

Thank you for your concern.
