**Date:** Monday, March 11, 2019 10:58:20 AM

---

Senator Hass, Bentz and members of the Committee,  
I'm Clair Klock from Corbett, OR, a retired farmer from Multnomah Co. and semi retired conservation specialist from Clackamas SWCD familiar with conservation easement. I urge your support for SB 146 for the reasons outlined by the sponsors and other supporters of this bill.

It would rectify an obstacle that is present in working lands conservation planning and protection.

Thank you
