**BACKGROUND:**

The Oregon Board of Dentistry's (Board) mission is to promote high quality oral health care in the State of Oregon by equitably regulating dental professionals. The Board is the second oldest licensing board in Oregon. As of July 2018, the Board licenses 3,794 dentists (of whom approximately 705 are specialists) and 4,369 dental hygienists.

Senate Bill 834 provides that an expression of regret or apology made by or on behalf of a person licensed by the Oregon Board of Dentistry does not constitute admission of liability for purposes of a civil action and that person may not be examined with respect to that expression.
