Hi Im Kaya Klees and I am a student at Cascades Academy. I was recently learning about animal corridors and I think we should pass the bill HB 2834-1 and help the deer and other animals!!! My BESTFRIEND named Ellie Mendenhall also wants you to know we support HB3834-1

THANK YOU

I love animals and I don't want them to lose their lives or get hurt just trying to find water, food or a migration path. Also, remember people get hurt and cars get damaged as well!!!

THANKS
