Dear Chair Clem and Members of the Committee,

I hope you will vote **"YES"** on these bills:

HB 3085: New Family Farmer Loan Program

HB 3090: new Beginning Farmer and Rancher Incentive Program

HB 3091: Reduces fees and costs to borrowers using Aggie Bond program

We have some of the best ag land in the USA. We want to keep this land in farming. As our current farmers age, we need younger people to continue the farming tradition. We need to make this as easy for them as possible. These three bills will help new farmers to get started.

Thank you for your concern for Oregon ag lands.
