

Dear Representative,

Hi, my name is Oliver. I am a preschooler in Eugene, Oregon. I am 5 years old. My friends names are Ben and Zack, but my best friend is Arwin. Im excited for Kindergarten and not scared because Arwin will be in the same school as me.

We just finished learning the alphabet and now we are going to start leaning our numbers. My favorite day was when we got to pet a real puppy dalmatian from the fire department. I also liked the day when the dentist came to school and we got tooth brushes. Mine was yellow.

Mrs. Gray says I am right on track for kindergarten! I'm looking forward to going to big kid school and excited to make more friends! I also hope they have a big play ground! I hope to grow up to be a swat police officer or a ninja one day.

Thank you.

P.S.

Please oppose HB 3063.
