ECMC

Supporting Oregon

Our programs and initiatives

Student loan repayment and financial literacy services

Solutions at ECMC offers campus-wide services to improve student outcomes. Our services include:

- Online financial literacy platform, powered by **iGrad**
- Customized default prevention program
- One-on-one loan repayment guidance with our student advocates
- Program planning tool to enhance enrollment and career services support and evaluate repayment success by program

Because of ECMC's continued commitment to Oregon, **Solutions** offers services at a modest price for colleges in the state.

Preparing for college guide and workbook

The **Opportunities** workbook is an essential tool to help students and families navigate the college-planning process and includes specific details about colleges in Oregon.

These free booklets are available in print or as a download in English or Spanish on our website.

www.ecmc.org/Opportunities

College planning events

Our **College Nights** workshops, held annually at multiple sites across Oregon

in the spring, provide high school students and their families essential information to help them plan and pay for college.
