Subject: Senate Bill 595 testimony
Date: Saturday, March 16, 2019 11:16:44 AM

I am opposed to SB 595 because it breaks the Legislature's promise to the hotel industry, which negotiated a statewide lodging tax in good faith based on reinvestment of local room taxes in destination marketing. Under SB 595, the hotel industry would be penalized for the impact of vacation rentals, which are direct competitors to hotels, for vacation rentals' impact on housing affordability.

Cheers!
