Subject: Oppose HB 2835
Date: Saturday, March 16, 2019 7:35:58 PM

Please oppose HB 2835. It will bring unnecessary liability to landowners to have members of the public portaging and accessing our private property. I have animals located on various properties and were to get hurt by being in my fields it could have a devastating effect on my operation.

Thank you for the opportunity to comment
