**Re: [HB 2932] "Prohibits Court from inquiring into defendant's immigration status..."**

How can you look yourselves in the mirror and call yourselves good, honest, law-abiding Americans (or Citizens of the United States if you want to be technically correct) by authoring and supporting **[HB2932]**?

**[HB 2932]** is just another step on the seditious path towards the State of Oregon formally announcing their status in the "New Confederacy of Sanctuary States." The State Of Oregon's protracted and traitorous embrace of secession from the United States of America's federal Laws is evidenced and noted for the record.

The House Committee on Judiciary should take note of **[SB 854]**, **[SB 855]** and **[SB 856]** to augment the State of Oregon's secessionary and continuous aiding and abetting illegal immigration (which is a felony).

I guess it is no surprise that I **OPPOSE** all seditious legislation including **[HB 2932]**.

*Respectfully submitted,*
