

To whom it may concern,
I'm in favor of HB 3349.

Anything that can help the homeless I'm for.

Not only is homelessness a problem for home owners, it's down right dangerous for them to live on the street.

I talk to a guy that sells Street Roots (a very good program the homeless are offered). He has to pack all his meager belongings in a wagon and take it while he sells the paper. If he didn't they would be stolen. Please get this bill passed!
