

In a recent outbreak of whooping cough in Los Angeles County, ALL of the 30 people who contracted whooping cough WERE VACCINATED.

Repeat.

All of the people who contracted whooping were vaccinated.

PLEASE RECOGNIZE THE INEFFICACY OF MANDATORY VACCINES!

PLEASE DO NOT PASS HB 3060

The state of Oregon should not be in the business of making mandatory medical decisions for any individual. The state of Oregon should recognize by the evidence included in this article, mandatory vaccinations do not work.

MAINTAIN MEDICAL EXEMPTION STATUS

MAINTAIN OREGON CITIZEN'S MEDICAL FREEDOM!!
