

To Whom It may Concern,

I am writing to you concerning the upcoming vote on SJR22 and SB838, I am not sure of the just reason or justification behind these bills and allowing 16 year olds to vote on the leadership of the our state or country. As a father who loves his children dearly and having been 16 once myself, it is my experience that the majority of 16 year olds not have the maturity to vote on leadership in government.

Vote No on these two bills.
