

To Chair Prozanski, Vice Chair Thatcher, and Members of the Committee on Senate Judiciary,

My name is Annie, and I am a resident of Oregon, and a supporter of sexual assault survivors. This is an issue I care deeply about, as it has affected too many people I know. I wanted to express my thoughts on SB482, and I hope you'll take this into consideration.

**Why is this Bill Important :**

- Having sexual assault survivors go back to court to renew their restraining orders annually is traumatic. This restraining order needs to be extended.
- Protecting vulnerable people, children, survivors of repeat sexual assault offenders, survivors of sexual assault by family is important and their protection deserves to be permanent.

**What does it remedy:**

- It prevents the responsibility of keeping themselves safe fall on the sexual assault survivors.
- It protects the most vulnerable in the community, especially those who have jobs that do not allow them to take days off to go to court to

**- My position on this Bill is that I support it and I would like it to get passed.**

**- I support [SB 482](#) along with it's "-1" amendment.**

Thank you Chair Prozanski, Vice Chair Thatcher, Members of the Committee on Senate Judiciary
