

We had to put in ear plugs to go in the power house because of the generator and turbine.

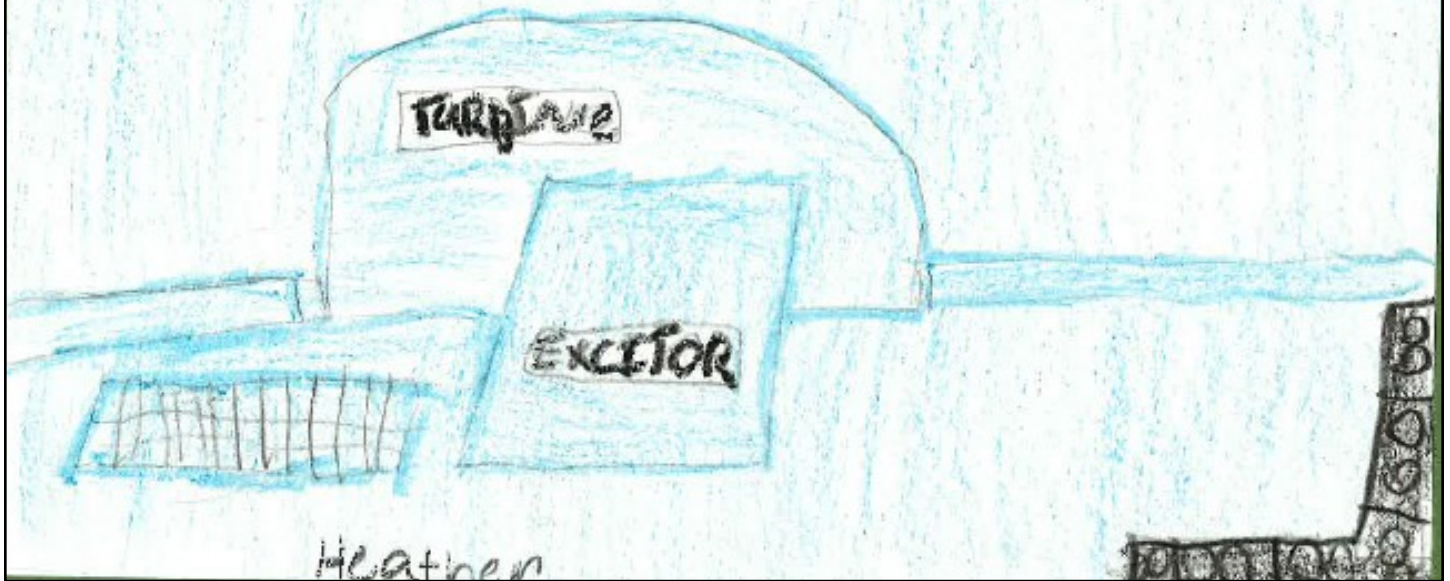

Dorothy

I like when we saw where the water is diverted into the pipe.

Tyler, 5

I liked The powerhouse where we saw the turbine & the generator

We had a race to see which size of water package is easiest to carry

We saw where the the Wolf
Wolton's had their house.

We hiked down the mountain
to the bus on the Indian trail.
