

Chair Prozanski & Vice Chair Thatcher,

I am a resident of Oregon, and I am writing to urge your support for SB 482.

I support survivors of sexual assault, and I ask that you relieve them of the burden of annually renewing restraining orders. They deserve better from us than this additional, continual burden. The onus should not be on them, and they should not have to relive their trauma regularly in an effort to keep themselves safe. Please vote to pass SB 482.

Thank you for your attention.

Respectfully,

Cokie G. Anderson
