

Please vote against a 16 or 17 year old voting age change in Oregon.

NO on bill to allow 16 year olds to vote, SJR 22

Also, NO on 16 year old vote, SB838.

16 year olds are protected as CHILDREN. There's a reason they're not allowed to sign contracts, not held accountable, can't buy alcohol, drive without an adult licensed driver till 18, etc, etc., and are protected from sex with an adult. They are legally not considered mature enough to make important decisions affecting their life (and ours).

Please enter as a part of the public record.

Please read aloud as testimony. Thank you
