

Dear Chair Prozanski & Vice Chair Thatcher,

I'm an Oregon resident and I support sexual assault survivors.

Renewing restraining orders annually is traumatic.

Protecting vulnerable people, children, survivors should be permanent.

I support passing SB 482.

Sincerely,

Diane Russell

"Art is a necessity, beauty we must have in the world. Painting and sculpture and music and literature are all of the same piece as civilization, which is the art of making it possible for human beings to live together."
