

Dear Committee, I'm writing you in opposition to letting 16 year-olds vote.
This has been looked into by Doctors.
These young adults brains are not matured enough to make a decision like this yet.

They shouldn't be allowed to make such a huge decision that effects the country.

That's extremely dangerous.
They're not even aware we're a Republic and a democracy.

I ask you to vote no on these bills.

Thank you
