

Dear Rules Committee Members – Democrat and Republican alike

PLEASE Vote NO on these two bills!

Stop SJR22 and SB838 that would allow 16 year olds to vote.

16 year olds are not legal adults, they cannot have an unrestricted driver's license, they cannot negotiate contracts, they have very little life experience (if any at all) and in fact they barely can transact any business and you want them to be able to tell the country who should be running the country? This is insanity at a minimum and dangerous in the worst case.

PLEASE Vote NO on SJR22 AND SB838!
