

Dear Committee Members,

The silliest proposal we've yet heard floated is SB 838 which grants 16 year-olds the right to vote. We restrict many activities of youth due to immaturity. Driving, military service, right to contract, firearms, alcohol, marijuana, you name it. They have no skin in the game, usually no job(hence no taxes), no bills(they live with mom and dad). This proposal is a simplistic political ploy to gain impressionable, ignorant(no life experience on their own) voters to push the socialist leftist agenda. Leave it alone.
