**Measure Description:**

Establishes permissible density requirements within urban growth boundaries of cities within metropolitan service district or with population more than 10,000 for areas adjacent to transportation corridors and zoned to allow residential development.

**Government Unit(s) Affected:**

Department of Land Conservation and Development (DLCD), Cities

**Analysis:**

This fiscal impact statement is for the purpose of transmitting the measure from the Senate Committee on Housing to the Committee on Rules.

The legislation establishes permissible density requirements within urban growth boundaries of cities within metropolitan service district or with population more than 10,000 for areas adjacent to transportation corridors and zoned to allow residential development.

A more complete fiscal analysis on the measure will be prepared as the measure is considered in the Committee on Rules.
