

OREGON GAPS

- At least 400,000 Oregonians lack access to the internet at home.
Gaps are concentrated in rural and remote regions of the state.

	Total	Portland	Central Coast	Central Oregon	SW Oregon	NW Coast	North Central	South Central	Eastern
Broadband at home	82%	85%	83%	83%	79%	78%	76%	69%	67%
