

To whom this may concern,

I am TOTALLY AGAINST this (978-1) and any similar proposed legislation. Why turn HONEST and LAW ABIDING

CITIZENS into CRIMINALS? Truly, what is the point other than CONTROL! This won't even touch REAL criminals because CRIMINALS DON'T PAY ATTENTION TO LAW!!!

STOP IT and STOP IT NOW! Quit WASTING our tax payer money. Quit WASTING our valuable time.

I know HUNDREDS of people that this legislation will hurt and these people aren't CRIMINALS...now anyway. However, if you people pass these IGNORANT and UNTHOUGHTFUL, FOOLISH ideas into law, you'll have professionals of all walks of life turned into 'OVERNIGHT' CRIMINALS while those who would hurt others will not even be hindered-in the least.

STOP TRYING TO MAKE HONEST OREGON CITIZENS INTO CRIMINALS! You people have been elected to HELP our State and to represent THE PEOPLE, not your own SELFISH agendas.

STOP this foolishness. STOP hiding behind these COMPLETE LIES!

We NEED LOVE and EDUCATION.

Sincerely,

Eric Simpson
