

Hello,

I cannot properly convey my level of disappointment in this bill. To go from a single paragraph to a 44 page "gut and stuff" with little more than two working days notice is atrocious at best. I can't find a single item in there that would have any kind of positive affect on my fellow Oregonians. This bill will do nothing but add confusion, criminalize law abiding citizens and cost tax payers an untold amount of money.

I urge everyone reading this to vote NO.

Let me say that again....NO on SB 978

Thank you for your time,
