I am writing to strongly urge our legislators to vote NO on these inhumane bills. The voters of Oregon have voted twice to outlaw hunting with dogs and cruel hunting measures. This type of hunting is unsportsman-like, unfair, cruel and wrong. In addition, my understanding is that killing adult cougars exacerbates human and cougar interactions due to loss of the teaching adult cougars provide to younger cougars. Finally, the voters have voted! The vast majority of people oppose trophy hunting of any kind. We should proudly lead in this domain, not reverse course. Please vote no!

Thank you.

Sincerely,

Linda Humphrey
