Chair Denbrow and members of the Committee:

I am writing in support of the referenced bills that will protect Oregon's public forests, and the streams, homes and communities near Oregon's industrial logging sites. As a long-time Oregonian, I care deeply about our state's natural gifts and believe it is our responsibility to care for them properly. I hope you feel the same and will support SB931 and SB926 with your vote. Thank you.
