Subject: Stop the Spraying! Vote YES on SB 926 and SB 931

I have lived in the Coast Range of Western Oregon for over 40 years. I have 2 beautiful children, but suffered 10 miscarriages. Yes, the aerial spraying out here is my prime suspect.

It's well past time that you prioritize the people who elected you, over the profits of greedy corporate interests. Your first duty and moral obligation is to the health, safety and welfare of the people of Oregon, not corporate heads who don't even live in the communities where the harm occurs.

Stop the Spraying
