

To Whom it May Concern,

I am writing you to urge you to pass the national popular vote bill out of the rules committee. My name is Leda Mareth and I am a resident of Washington county. I am 45 years old and in my lifetime I have voted for two presidents who received the popular vote but were not sworn into office. Democracy should mean one person equals one vote. I urge you to pass this bill so so that the voices of all our citizens will elect our next president and not just the voices of our swing states.

Thank you for your time.

- Leda
