Subject: SB -978-1
Date: Monday, April 1, 2019 9:56:23 PM

Please register my email in support of this very important bill. SB 978-1 expresses the desires of over 60% of Oregonians, including gun owners. It is sensible and humane, and a way to let our young people believe their efforts can make a difference. Please support the bill. Yours sincerely, Robert Frisbee, Clackamas County
