

Senate Bill 978.

Why are all of you turning against the people?

Why are you all putting citizens in harms way?

Why are you all attacking law abiding citizens?

Why are you all forcing your own personal agendas on the citizens of Oregon?

Why all of the broad amendments that can be use above and beyond what the original Intent?

Senate Bill 978 is against the 2nd amendment it is unconstitutional.

It is not making any one safe just the opposite it putting Oregons in harms way and you all know that it is.

This is not California and we not not want it to be.

Do you care?

I oppose this Bill any American will.
