

I am submitting my testimony in support of the National Popular Vote bill. Many Oregonians don't vote in presidential elections because they feel their votes do not matter as much as votes in battleground states. Our votes in Oregon should matter as much as those in Ohio or Florida. I support National Popular Vote because I believe that a president should be elected by the majority of the people, not by the electoral college system which is outdated and faulty.

Thank you,

Carrie King
