Please respect the will of the voters and stop efforts once and for all to repeal/weaken Measure 18 OR by referring it back to the voters. Oregonians have twice banned the cruel and unsporting practices of bear bating and bear and cougar hound hunting and abhor trophy hunting highly-sentient black bears and cougars. Those inhumane trophy hunters should not get to circumvent the citizen initiative process by having the legislature do their work for them.

Thank you.
