Subject: Please stop repeal or weakening of Measure 18
Date: Monday, April 1, 2019 9:49:15 PM

Dear Speaker and Members of the Natural Resources Committee,
The voters have spoken twice and I urge you to respect their decision. Please stop efforts to repeal or weaken this law or to send it back for a third time to the voters, which would be a waste of money and would disregard the fact that we have already spoken.
Thank you for keeping this measure in tact.
Lin Bernhardt, M.S.
