

I ask that you vote no on SB978. My name is Christina Kaiserman. I believe in sensible gun laws that work. I am a woman, I have been a foster parent, I have a family, and I am a gun owner. I am vehemently opposed to SB 978. The language in this proposal makes gun ownership for the purpose of self defense ineffectual. It places an unreasonable burden on law abiding gun owners. SB978 is not sensible, please vote no.

Regards,

Christina Kaiserman
