MEMORANDUM

To: Senate Committee on Environment and Natural Resources

From: Janine Benner, Director

Date: April 9, 2019

Re: SB 928 – Oregon Climate Authority – correction for the record

I need to provide a correction to the record for SB 928. During the April 8 hearing, I misspoke when I responded to a question from Senator Olsen. The breakdown of funding sources for the Oregon Department of Energy's Siting Division is 25% from Energy Supplier Assessment funding and not 75%. I apologize for the error and appreciate the opportunity to correct it on the record.
