**Subject:** April 11 Hearing - Supportive testimony for HB 2019  
**Date:** Tuesday, April 9, 2019 1:22:11 PM

---

Dear Joint Committee on Student success,

I support HB 2019, because I believe that our communities benefit in innumerable ways from a well-educated population. Although I am an older adult with no school-aged children or grandchildren living in our state, I believe in supporting the health and development of our next generations. I feel it is worth the increased tax investment this bill could likely require.

Sincerely,  
Diane Brice
