Subject: April 11 Hearing - Supportive testimony for HB 2019
Date: Friday, April 12, 2019 9:50:36 AM

Dear Joint Committee on Student success,

Children are the future! If we fail yet another generation of Oregon students, I fear we will be unable as a State to recover from it!!

An equitable and balanced public education for all children should be viewed as a necessity, not a luxury!!

Sincerely,
Royce Dille
