Subject: April 11 Hearing - Supportive testimony for HB 2019
Date: Friday, April 12, 2019 9:50:06 AM

Dear Joint Committee on Student success,

Please approve this spending on our schools! Our public schools are under funded. My daughter attends a title I school and I see first hand how we are failing our students of color and children in poverty. It's painful to see our middle class white students receive better schools and education.

Please prioritize our children!!

Sincerely,
britta torgrimson
