Dear Joint Committee on Student success,

To the committee,

I support making new investments in Oregon students and I urge your support for HB 2019.

My first-grade daughter attends Portland Public Schools, and I am an instructor at Portland State University in a dual-credit program at both Jefferson and Roosevelt High Schools. Supporting public education after years of disinvestment is crucial to the wellbeing of my family, my career and the future of the state.

Thank you.

Sincerely,

Sarah Dougher
