Subject: April 11 Hearing - Supportive testimony for HB 2019
Date: Friday, April 12, 2019 9:50:07 AM

Dear Joint Committee on Student success,

Please support HB 2019. Our schools are severely under funded and we cannot wait any longer to commit to funding our schools. I would also ask that you support charter schools more equitably.

Kind regards, Stacey Schroeder

Mom of 3rd and 4 grade public charter school students

Sincerely,

Stacey Schroeder
